Some people believe that abortion should never be permitted or that abortion is permitted only in case of rape, incest, or when the woman's life is in danger. Others believe abortion should always be a personal choice without government interference.

---

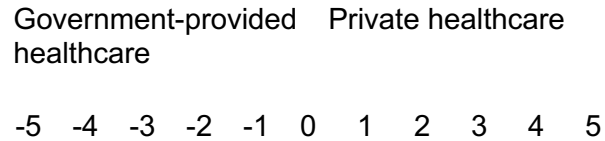

### Prox\_Immigration

Some people believe that the government should implement more open immigration policies, including pathways to citizenship for undocumented immigrants, whereas others think that the government should take a stricter approach to immigration, including stronger border enforcement and reduced immigration quotas.

### Prox\_Healthcare

Some people believe the government should provide universal healthcare and increase access to affordable insurance. Others support a market-driven approach that emphasizes private insurance options and less regulation.

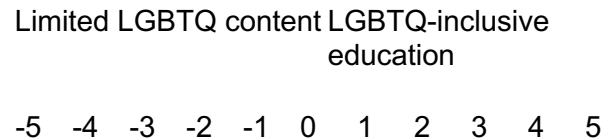

Where would you place <b>yourself</b> on this scale?	
Where would you place <b>Harris</b> on this scale?	
Where would you place <b>Trump</b> on this scale?	

---

### Prox\_LGBTQ

Some people believe that the government should ensure comprehensive education on gender identity, sexual orientation, and LGBTQ issues across all age groups. Others believe that this education should be restricted and guided primarily by traditional values with significant parental involvement.
